

Good afternoon Everyone:

Just a few updates on events affecting our subdivision.

1. Halloween Parade for the kids will once again be cancelled due to the ever-persistent Covid-19. It is an Association-sponsored event and one we should take seriously. That is why we are going to air on the side of caution and wait till next year. Hopefully, this will be behind us come Halloween 2022.
2. 2021 Treat or Treat for the City of Muskego is October 31st from 6 pm to 8 pm.
3. Turn the clocks back on November 7th.
4. Hwy 00 will open as soon as they make the turn onto Ryan Drive. Hopefully shortly.
5. Our entrance/exit on Champions Dr. and Loomis will open as soon as the contractor who does the curbing completes the repair, Then the road can get resurfaced. We are hoping that this will begin this week.
6. Fall is a great time to get in walks. So please again watch your speed and keep vigilant, Our speed limit in the subdivision is 25mph.
- 7. We do not want anyone to forget that our due notice that will be mailed out in January 2022 will have the special mailbox assessment of \$310.00 on top of our normal \$120.00 annual fee. The total owed for 2022 will then be \$430.00.**

Everyone have a great rest of the week and weekend.
